Distribute Assessment & Recertification Requirements to Departments			05/10/2016	05/11/2016

*A substantively revised course includes course description changes that could require consultation with faculty in a different discipline/department/program. In that case, it may be necessary to include the course revision on the Course Review Committee agenda for review by the academic associate deans.

⁺ Courses submitted after 12/01/2016 will be reviewed in September 2017 for the 2018-19 Academic Year
